Presented by:

-Nichol Luoma AV President University Business Services, Sustainability Officer, and CPO at ASU

-Jamon Hill, Executive Director, Supply Chain, ASU

(*Earn 1-hour CEH for ISM C.P.M, CPSD CPSM Certification holders)

10:00 - 10:15 AM | **Break**

10:15 - 11:15 AM | **General Session**

Supplier Development 2.0: Sourcing for Value

This session focuses on the role of supplier development as a critical success factor to achieving a world-class supply chain organization and the role it plays in the sourcing process to achieve achieving organizational value. Procurement leaders will learn the benefits of why building capabilities and capacity of diverse suppliers will improve the effectiveness of diverse suppliers to meet the needs of your organization. Suppliers will learn which business competencies are necessary to increase performance and about the application process for supplier development programs our panelists offer.

Moderator:

- Bruce Mayberry, Sr. Senior Diverse Business Enterprise Advisor San Diego Gas & Electric (SDG&E)

Confirmed Panelists:

- Sydney Furbush, Manager of Supplier Diversity - San Diego Gas and Electric (SDG&E)

-Presented by Debbie Fogel, CFO for the Institute for Supply Management

(*Earn 1-hour CEH for ISM C.P.M, CPSD CPSM Certification holders)

2:00 - 3:00 PM | Breakout Session

Maria Prince

Women In Procurement - Transformational Leadership

Despite the underrepresentation of women in supply chain, these panelists have differentiated their companies through unique contributions to the supply chain function. Participants will learn the journey, lessons learned and how these women drive impactful results in their organizations. Whether you currently (or will) manage procurement women-leaders, strive to become one or simply want to professionally develop in your role, this session is for you!

Moderator:

- Maria Prince, Director of Enterprise Procurement, Global Sourcing Strategist, Former Exec at Sysco and Walmart

Tara Bump
